ACCEPTABLE USE POLICY for INTERNET/ELECTRONIC DEVICE USAGE

Golden Bridge Academy recognizes the value of technology in the learning environment and strives to provide students and teachers with opportunities to gain knowledge and skills with this medium. Our goal in providing technology services to students and teachers is to promote educational excellence in schools by facilitating resource sharing, innovation and communication. Computer technology and network use require appropriate, responsible usage.

Using Communications/Computers/iPads is a privilege, not a right at Golden Bridge Academy and is provided to students who act in a considerate and responsible manner and may be denied to those students who do not.

Golden Bridge Academy has implemented the following guidelines:

1. Students will only use websites/programs approved by their teacher.
2. Internet research will be restricted to school related assignments only.
3. All Internet research must be supervised by a teacher.
4. Sending, using, or displaying offensive messages or pictures is prohibited.
5. Harassing, bullying, or attacking others online will not be tolerated.
6. Posting personal information or pictures of yourself or other students is forbidden.
7. Damaging computers or iPads will not be tolerated. Parents will be responsible for the cost of repairing or replacing damaged items.

Students who violate any of the provisions of this policy may be subject to appropriate disciplinary action.

Please sign below indicating that you have read and understand the Internet/Electronic Device Usage Policy.

I understand that I will be responsible for the cost of repair or replacement of equipment due to my child's mishandling of the equipment such as intentionally dropping or throwing it.
