

2019 – 2020 School Uniforms

Our uniform requirements have been chosen from the Land's End School Catalog. You can only order on-line. The link below is to access the Land's End School Catalog online: <https://www.landsend.com>. Our preferred school number is 900054479.

Some of our parents choose to purchase items from other locations. This is acceptable for most items as long as they look exactly like the Land's End product.

The items that are only available through Land's End are marked with an asterisk.
